

## A BIG ROW ONE MAN KILLED

Another Was Painfully Wounded  
and the Perpetrator Escaped.

### A SATURDAY NIGHT AFFAIR

Alleged that Negroes Had Gathered  
Near Meredith for Regular Weekly  
Skin Game—Gamblers Appeared and  
Caused a General Rough House.

Information reached this city Mon-  
day of a big row which occurred at the  
negro quarters near Meredith Satur-  
day night, in which one negro, Chas.  
Jenkins, lost his life, and another ne-  
gro, name unknown, was seriously shot.  
The party doing the shooting, the  
name of whom could not be learned,  
made his escape, and has not yet been  
captured.

The particulars are very indefinite,  
but from the best information it ap-  
pears that the negroes, as is their  
custom on Saturday nights, indulged  
in a skin game. The game pro-  
ceeded until nearly midnight, when  
a dispute arose, the lamps in the  
shanty were extinguished, and a gen-  
eral row ensued with the above re-  
sult. Jenkins was shot in the arm, the  
ball passing directly through and en-  
tering the heart, from which death  
resulted almost instantly. The other  
negro received a painful wound in  
the right leg, which it is believed will  
not prove serious.

As a rule the negroes of Meredith  
are a peaceable set, and it is seldom  
that a row occurs among them, but  
upon this occasion the disturbance  
seemed to have originated from the  
fact that traveling gamblers, who make  
a profession of living off the earnings  
of the laboring class of turpentine and  
saw mill hands, were present, and the  
men finally realized that they were  
being "skinned" sure enough, when  
the trouble began.

Officers are in search of the party  
who did the shooting, but so far have  
been unable to apprehend him. He is  
believed to be hiding in the swamps  
near Meredith.

### JUSTICE COLMAN'S COURT.

Marion Smith, a Young White Man,  
Fined on Two Separate Charges.

Marion Smith, a young white man  
employed by C. C. Pedrick, was ar-  
raigned before Justice Colman yester-  
day upon two charges—that of carry-  
ing concealed weapons and discharging  
re-arms. It appears that young  
Smith's father gave him a pistol that  
he had been repairing Sunday morning  
and requested him to walk out into  
the woods and try the weapon to as-  
ertain if it was all right. In obedi-  
ence to this command Mr. Smith, with  
a couple of companions, went to a point  
near Bevins' Arm, when he discharged  
the piece several times. Sheriff Fen-  
nell happened to be in the vicinity and  
was attracted by the shots. He placed  
young Smith under arrest upon the  
charges stated.

The defendant was fined \$2.50 and  
costs for shooting on the Sabbath and  
\$100 and costs for carrying a concealed  
weapon. The fine in the last instance,  
however, was suspended pending good  
behavior.

Mr. Smith stated that he had no in-  
tention of offending the law, but was  
simply obeying the will of his father.  
He has always borne a good reputation.

### Men Past Sixty in Danger.

More than half of mankind over  
sixty years of age suffer from kidney  
and bladder disorders, usually enlarge-  
ment of prostate gland. This is both  
painful and dangerous, and Foley's  
Kidney Cure should be taken at the  
first sign of danger, as it corrects irreg-  
ularities and has cured many old men  
of this disease. Mr. Rodney Burnett,  
Rock Port, Mo., writes: "I suffered  
with enlarged prostate gland and kid-  
ney trouble for years, and after taking  
two bottles of Foley's Kidney Cure I  
feel better than I have for twenty  
years, although I am now 91 years  
old." J. W. McCollum & Co.

## Mothers Are Helped THEIR HEALTH RESTORED

Happiness of Thousands of Homes Due  
to Lydia E. Pinkham's Vegetable Com-  
pound and Mrs. Pinkham's Advice.

A devoted mother seems to listen to  
every call of duty excepting the su-  
preme one that tells her to guard her  
health, and before she realizes it some  
derangement of the female organs has  
manifested itself, and nervousness and  
irritability take the place of happi-  
ness and amiability.

Mrs. Ph. Hoffman

Tired, nervous and irritable, the  
mother is unfit to care for her chil-  
dren, and her condition ruins the child's  
disposition and reacts upon herself.

The mother should not be blamed, as  
she no doubt is suffering with back-  
ache, headache, bearing-down pains or  
displacement, making life a burden.

Lydia E. Pinkham's Vegetable Com-  
pound is the unfailing cure for this  
condition. It strengthens the female  
organs and permanently cures all dis-  
placements and irregularities.

Such testimony as the following  
should convince women of its value:

Dear Mrs. Pinkham:

"I want to tell you how much good Lydia E.  
Pinkham's Vegetable Compound has done me.  
I suffered for eight years with ovarian  
troubles. I was nervous, tired and ir-  
ritable, and it did not seem as though I could  
stand it any longer, as I had five children to  
care for. Lydia E. Pinkham's Vegetable  
Compound was recommended and it has en-  
tirely cured me. I cannot thank you enough  
for your letter of advice and for what Lydia  
E. Pinkham's Vegetable Compound has done  
for me.—Mrs. Ph. Hoffman, 100 Hiram  
Street, Brooklyn, N. Y."

Mrs. Pinkham advises sick women  
free. Address, Lynn, Mass.

### Abscess.

Abscesses, with few exceptions, are  
indicative of constipation or debility.  
W. H. Harrison, Cleveland, Miss.,  
writes, Aug. 15, 1902: "I want to say  
a word of praise for Ballard's Snow  
Liniment. I stepped on a nail, which  
caused the cords in my leg to contract  
and an abscess to rise in my knee, and  
the doctor told me that I would have a  
stiff leg, so one day I went to J. F.  
Lord's drug store (who is now in Den-  
ver, Colo.) He recommended a bottle  
of Snow Liniment; I got a 50c size,  
and it cured my leg. It is the best  
liniment in the world." Sold by W.  
M. Johnson.

### Shepard Held on Bond.

Abraham Shepard, who was arrest-  
ed a few days ago by United States  
revenue officers near Mikesville upon  
a charge of owning and operating an  
illicit distillery, and who was arraigned  
before Commissioner Locke in Jack-  
sonville, was required to give a bond  
of \$250 for his appearance at the fall  
term of the United States Court in  
Jacksonville. The bond was promptly  
secured and the defendant released.

It is said that the officers did not find  
the still in operation, but that a quan-  
tity of "akimmings" was found, which  
will be sufficient evidence that the  
still had been working. The outfit  
comprised a fifteen-gallon wash-pot,  
with all appliances of a regular still.

Shepard is reported to have plenty  
of money, as it is alleged this still has  
been in operation and enjoying a fine  
business for some time.

Attorney C. C. Thomas of this city  
represented Shepard.
